

July 1, 2011

Bear Hugs to One and All!

On behalf of the teachers and Board of Directors, I would like to invite you to our Troy Co-op Preschool 4-year-old Orientation Program for the 2011-2012 school year.

The orientation session will be held at the preschool on **Wednesday, August 31, at 6:45 p.m.** Our teachers, along with members of our Board, will be there to answer questions. This will be an opportunity to meet your child's teacher, as well as the other parents from your particular class. We will try to get through all the important information as quickly as possible, but plan on being there about two hours.

For those new to the preschool, the orientation will also include a tour of the school, a "run through" of a typical day at Troy Co-op Preschool, and an explanation of the responsibilities and duties of parents on their workdays. This orientation will include pertinent information needed to run an effective co-op.

The orientation is designed for parents to attend without their children. While we hope this does not seriously inconvenience anyone, we promise you will benefit by attending these sessions. Please call me if you are unable to attend.

Please be reminded that all registration forms and first semester fees should be submitted to me by August 1. Unfortunately, we are unable to allow any child to enter school without having all forms completed and all fees paid. Tuition for the 2-day 4's class is \$445 per semester, and the 3-day class is \$630 per semester. Please write your child's name and class (4AM/4PM) on your check when sending in your payment.

We also ask that sometime during the summer you have a photo taken of the Co-op working parent with the Co-op child and bring it with you to the orientation. You will get acquainted much more quickly with the members of your class with the help of our photo board.

We look forward to sharing the year with you and your child at Troy Co-op Preschool. If you have any questions, please feel free to contact me.
