

Troy Co-op Silly Putty

1. Mix Borax and water in jar.
2. Add Elmer's glue and 1 tsp. of water to baggie. — let child squeeze to mix, add food coloring if desired.
3. Add contents of jar to baggie (leaving the un-dissolved crystals in the jar) then have child squeeze until thoroughly mixed and rubbery in texture.
4. Store in an airtight container.

Love, Learning, Laughter
